With rare exception, when we meet people who greet us with a smile, they are sending us important information about their intentions. Their frustration is rooted in their own daily battles -- to make ends meet, to pay for college, buy a home, save for retirement.

Since my earliest memory, I have had the sense that anything worth doing...worth

Product Details About the Author. He could not bear the thought that people were pitying him and quickly gave up the business.

He is not an interruption in our work. And peace to be real must be unaffected by a growing feeling of disappointment overwhelmed .
