Steve Jobs Quote: "Do not try to do everything. Do one thing well." (9 wallpapers) - Quotefancy

Do one thing really well. People want a more comprehensive answer than that, but in my experience, if you learn to do this, the rest will follow.

Quote by Heather Hart: "It's better to do one thing well than ten thing"

Do one thing well. We make jeans. That's it. Nothing else. No distractions. Nothing to steal our focus. No kidding ourselves that we can be good at everything.

Unix philosophy - Wikipedia

Some products, some services, some experiences are just right. It's hard to know how to make them simpler, more beautiful or more useful.

Quote by Heather Hart: "It's better to do one thing well than ten things"

In the world of product development, there's one rule that stands above the rest: do one thing well.

The Art of Doing One Thing Well | Aten Design Group

I used to think that I had to do it all. That being busy meant I was doing something great. And then I learned one simple word that holds so much.

The Unix philosophy emphasizes building simple, short, clear, modular, and extensible code that can be Do One Thing Well maintained and repurposed by developers other than its creators. As well as the undecipherable stupid names everything. Applying it to Your Business The story of Ducted Air Perth illustrates the power of drilling down and specialising as a business.

Yourinbox.JavaScriptisrequiredforthisfeaturetowork. All bow down to that egotistical moron Poerttering and his lapdog RedHat! About About Us. Themostexcellentburgers.The vast majority of user programs were never affected because they did not handle or experience signals other than SIGINT and would die right away if one was raised. Because I know how much work goes into it.
