After their latest assignment in Iceland, Maggie and her parents are brought to New York City, where Maggie is given her own assignment, to execute with 3. If it's three digits or less, why even bother? Seriously, while staying realistic and not over-the-top cheesy, the guy melted my heart with his insecurities and his kindness - he is a complete dork, yes, but oh so fucking fantastic. Cait,that'swhatIwasabouttosay!All In. Also Known As isn't a story about spies.
