Please log in. Without doubt, this will appear on my Top Reads list at the end of this year. A middle-of-the-road read. But now, decades later, Mona is determined to find happiness before it's too late. The style is simple yet artful. The Independent Books.

She meets William, a charming Irish apprentice who is determined to be a better man than his father. The present narrative establishes Mona as a sympathetic character who refuses to give in to self-pity, it is the past that pulls on the heartstrings. As a whole, The Trick to Time was just okay.
