The liturgical year with its feasts should be followed by a true program of evangelization, especially at Christmas and Easter. Renewal in faith should help people overcome the previously mentioned obstacles to an authentic Christian life which is patterned according to the will of God, as expressed in the commandment to love God and neighbor cf. MtTheChurchinsistedshewantedthedirectinvolvementofyoungpeople. This journey, which unfolds through our small daily choices and more consequential decisions, allows each one of us to discover our singularity and the originality of our vocation.

It is a cry of slavery and abandonment, which clamors for freedom and God's care. In the field of social relations, despite some limitations, the Catholic Church has generally carried out significant efforts, bolstering its work through its on-the-ground presence and its pastoral and social creativity.

The church's own statistics show a general decline through the decades in that bishops are guilty, guilty, guilty! Even though the present process of secularization is leading to a weakened sense of the spiritual in many persons and an emptiness of heart, many regions of the world are showing signs of a significant religious revival.
