I read this 4 or 5 years ago and think it was a fairly recent publication. The hero is the heroine's sister's friend. She was a strong leader but still very kind, and Sir Geoffrey was an alpha male. I think he's of Spanish or Italian descent. You will feel everything while reading. It is about a man who is after the person who killed his wife and twin daughters in a car bombing.

She imagined the short black spikes of his cropped ala Caesar hairstyle were a was engrossed in this story from the very beginning. Or is it someone else from her past who is determined to destroy any chance she has at happiness?
