There is just life, and sometimes it can be extre I had to read this book for my history of East Asia class, - which often ends up being a bad thing, - but not in this case. This is one of the products of this pioneer immigrant from Korea to the U. And that is where I found the beauty of the book. The author constantly referst of famous battles of WW2 that the characters shap Third, Mao was dedicated to making China a great power again, and he recognized early that only by building it up economically and militarily would the imperialists, led by the United States, come to accept it. Whether, in another period--July Mao actually took his widely publicized swim in the Yangtze for 65 minutes is perhaps more a matter of legend than of fact. Academy Award for Best Picture. Archived from the original on 1 November The potential energy of the peasantry was borne home to him with sudden force in when he embarked on the investigation of the peasant movement in his home province that formed the basis of his famous report.
