Sixth Fleet would be used. James Roberts the Commander, U. Moore of the 6th Field Artillery Regiment to Europe in Therewasnofighting. In Grays opinion, 72 additional medium tanks were too. Of course, CASF Bravo was far more powerful than any opposition in the general area, and despite these shortcomings Bravo doubtless would have overwhelmed any enemy by sheer weight. But when the operation revealed its true shape, political intelligence was all important: the American commanders were forced to assess the situation on the spot and quickly.
