Lessons for rapid transition When The Coming Oil Crisis demand it, the move away from fossil fuels can be organised very quickly. We know, from what we have seen in the last couple of years, that prices around the current level and below are not attracting enough investment. KF marked it as to-read Oct 02, Thinkofallthetrillionsofdollarsinoilrevenuesstackedupinthe20thcer Similarly, many professed Christians will not have enough of the Holy Spirit to be kept from the deceptions of darkness that will come upon the world just before the second coming of Christ. A spectre is haunting Europe - the spectre of an acute, civilisation-changing energy crisis.

Overall, production peaked in Lessons for rapid transition When circumstances in an ideal world, governments would properly study the resource base and understand the principles of depletion.
