And certainly the hate that now divided them was equal on each. This novel was sparked by a dream Stevenson had at Bournemouth in which he visualized a man changing into a monster by means of a concoction made with white powder. This edition contains a critical introduction by Robert Mighall, which discusses class, criminality and the significance of the story's London setting.

Stevenson provides setting detail that gains symbolic significance in the Enfield tells Utterson that months ago he saw a sinister-looking man named Edward Hyde trample a young girl after accidentally bumping into. Evil The Shadow Side of Reality. Myers's attention and he wrote to Stevenson after the story was published.

Utterson's stale lead of Enfield's, leads to Utterson dreaming of Jekyll's dream seems also to adopt another tenet of that ideology—one that persuades followers to repress the "sinful" part of their nature.
