So many writers in Swifts time, through their numerous nauseating preludes, digressions, and postludes, endeavored to say something and ended up saying. The third and noblest sort is that of the true critic, whose original is the most ancient of all. What should they do?

Mostly it is just words to no purpose and with no humor. He conceived it was never. This method would always favour Protestantism over blood line. To prevent which, there has been much thought employed of late upon certain projects for taking off the force and edge of those formidable inquirers from canvassing and reasoning upon such delicate points.

The two major parties were associated with religious and economic groups. JO
