My Devotional Thoughts | "Chasing Clovers" by Kat Flannery

Book Review

What Chasing Clovers means. The past two weeks have been dreary. Figuratively and literally. I flew to Marbella to get away from Orlando.

I also liked how Chasing Clovers saw her and John change and struggle as the story progresses. You have to go thru the getting to know and be excepted by the kids. I finished it rather quickly.

To chase God. John Taylor needs a mother for his children, not a wife. John loved his first wife and is still Chasing Clovers over the loss, but he needs a mother for his children.
