Emily Suchecki added it May 23, Exclusion This is the practice of teaching students with special needs at facilities that only offers special education.

It's not an easy job, but with "The Everything Parent's Guide to Special Education"

When it is appropriate, students with disabilities should be educated with students who are not disabled, instead of separating them from other students. To prepare for the meeting or phone conference, make a list of your questions, concerns, ideas and information about your child.

Parents written consent is required before a student may be placed in a special education program. If your child is a child with a disability whose special education programs and services are being reviewed, the Board of Education must arrange for appropriate special education programs and services within 60 school days of the referral for review.
