The key focus of the activities of MusicaEuropa are music and arts for professionally targeted musicians, but also as a formative artistic activity of fundamental importance for a better development of modern society. About the competence and the expertise in the domain of intangible cultural heritage, the personnel and the membership consist in: traditional zampogna makers and players, ethnomusicologists, anthropologists, musicians and musical groups, cultural associations, museums, libraries, researchers, scholars, university teachers, besides simple enthusiasts. Theyoungeworld,i. For that, many and various activities have been carried out, involving not only the zampogna makers and

players but the whole community. Anyone, in whatever country, who is researching, or planning to research some of the topics in the title, and would like to get a wider sense of the range of what has been written and how these things work in many African countries; and who is prepared to look up some of the listed material and read it for themselves, and to reflect critically on what they .
