This book demonstrates that counselling and emotional support is not only possible for people on the autism spectrum, but essential. Other areas of counselling I deal with I specialise in working with depression, anxiety, addiction and with people who feel stuck and are struggling to move forwards in life, with relationship and family issues. Please try again later. Love and Loss. Help children with SEN and autism to have a good first impression of your school and it can make all the difference to their entire school experience. Brenda Smith Myles Ph.
