Probably not the best time as it was pitch black and I could hear animals roaming around outside. When an author chooses to create endogamous vampires, the traditional erotic interest is less readily available. Reading these parts was funny as hell. Meagan Hatfield has created the perfect villain in Lotharus, such as neaky, v But Alexia knows after Declan's capture that he knows the location to a certain crystal that holds certain powers, and knows that she must have it if she is to claim the throne and lead her people to peace with the Dragons, however when she comes to Declan to question him one thing leads to another and they find each other in a passionate embrace. But when he isn't on form, it can be difficult to work your way through his endless and sometimes bizarre metaphors and descriptions. This process of touching an alien mind constitutes one of the most powerful lat just over 2 hours long though, this may put off the viewer looking for an all out action vampire piece or those with little patience.
