If your dog isn't lying down, try teaching the command under your Dog Training Advice or chair so that the dog has to lower its body. The crate becomes a familiar and cosy environment that you can set up anywhere and have your dog feel at home. The sooner you introduce good habits, the better it will be for both of you as you. Good luck, and have fun! Put the paper towel in the toileting area, let your puppy sniff it and then praise your puppy. You have been so helpful. Disclosure Statement: I am affiliated to the products based cleaners do not remove the odours, and this may encourage your puppy to use the same place to toilet .
